

WORKING WITH AMBULATORY SURGERY CENTERS

Did You Know?

ASCs performed about 41% of all surgical procedures in 2020.

Committed to True Value

Cataract surgery is the most frequently provided ASC service.

01 | Matrix GPO Member Portfolio

As outpatient surgery centers continue to provide an alternative to traditional hospital surgeries, it is critical for these healthcare professionals to have the support they need. Matrix GPO understands this and was designed with the intentional goal of supporting the long-term viability of the community-based physician, including those specializing in ambulatory surgery. The services provided through Matrix GPO afford its members a range of practice resources and access to competitive pricing across a broad portfolio of specialty pharmaceuticals.

02 | Negotiated Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs essential to your practice. As a member of Matrix GPO, a healthcare provider can access contracted pharmaceutical and bio-pharmaceutical products through the GPO's distributor partner, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen overall product offering for their membership.

03 | Service Providers

Matrix GPO has engaged with a number of vendors to offer its members a variety of products and programs. These trade relationships afford Matrix GPO members access to a diverse portfolio of service providers. Some examples include:

- Med-Surg Supplies
- HIPPA Compliance
- Telemedicine
- Practice and Liability Insurance
- Patient Communication
- Online Media Presence
- Healthcare Logistics
- HR and Supply Chain Solutions
- Billing and Reimbursement
- Practice Growth
- Inventory Management
