

MATRIX GPO – BRINGING SERVICE TO YOU

Did You Know?

Matrix GPO members can access an extensive portfolio of pharmaceutical and biopharmaceutical products.

Structured to Your Unique Needs

Matrix GPO has the unique ability to provide products and services tailored to your needs through various service providers.

01 | Why Matrix GPO?

Matrix GPO is a provider-focused, multi-disciplinary group purchasing organization. By leveraging the buying power of our 8,000+ members, we offer physicians and practices savings on various specialty pharmaceuticals and practical services for a number of disease-state specialties. At the heart of Matrix GPO is the desire to provide each unique member savings without sacrificing value. Becoming a member is easy — simply fill out and submit an enrollment form.

02 | Services

One key mission drives Matrix GPO: to support the viability and sustainability of the community-based practitioner. To make that mission a reality, Matrix GPO has partnered with a number of organizations and businesses to offer a variety of services ranging from practice management tools to professional services to better enhance patient care.

Available services include:

- Education
- Employee Perks
- HIPAA Compliance
- Online Media Presence
- Patient Communication
- Teleconferencing
- Telemedicine
- Medical-Surgical Supplies
- Healthcare Logistics
- Practice and Liability Insurance
- Prior Authorization & Patient A/R
- Billing and Reimbursement
- Practice Growth

03 | Benefits

GPO contract acquisition pricing for branded and generic drugs offers members significant savings opportunities through the Matrix GPO network of pharmaceutical manufacturer relationships. In addition, Matrix GPO is uniquely positioned to partner with other national group purchasing organizations when needed. Matrix GPO can complement the existing product portfolio of a national GPO and strengthen the overall product offering to its members.

Matrix GPO harnesses the purchasing strength of its members collectively to offer products and services that support independent physicians and practices that serve patients at the local and regional levels.
