

DEDICATION TO OUR MEMBERS

Did You Know?

GPOs help the healthcare industry save up to 55 billion dollars annually.

Commitment to Your Practice with Beneficial Options

On average, GPOs save providers 10-18% on products and services

01 | Our Dedication is Unmatched

We understand that your dedication to your patients is a top priority. That's why Matrix GPO was designed with the intentional goal of supporting the long-term viability of the community-based physician. We are committed to improving practice management and offering innovative solutions for your practice. We also offer physicians access to competitive pricing across a broad portfolio of specialty pharmaceuticals.

02 | Matrix GPO Advantage

As a Matrix GPO member, you will have access to our GPO contract acquisition pricing for branded and generic drugs with significant savings opportunities through our network of pharmaceutical manufacturer relationships.

Matrix GPO is uniquely positioned to partner with other national Group Purchasing Organizations, and when desired, we can supplement the existing product portfolio of a national GPO, strengthening the overall product offering for our members.

Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

03 | Service Providers

Matrix GPO has engaged with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members with access to a diverse portfolio of services, including:

- Med-Surg Supplies
- Web & Video Conferencing Solutions
- Telemedicine
- Insurance Products & Risk Consulting
- Inventory Management
