

MARKET SOLUTIONS PROGRAM

Did You Know?

Matrix GPO offers a breadth of services ranging from practice management tools to professional services.

Offering Solutions to Enhance Patient Care

Matrix GPO is a provider-focused, multi-disciplinary Group Purchasing Organization

01 | Meeting the Needs of Physicians

The healthcare landscape is dynamic, making it difficult at times to navigate. Matrix GPO is dedicated to providing you with innovative solutions that will help guide you through these changes. Our industry-leading strategic and core offerings paired with our value-creation expertise enables us to continue to support the growth of community-based physicians.

Matrix GPO supports physicians and practices by offering a broad range of benefits and services that are tailored to you. As a member, you have greater purchasing power and more opportunities for savings. With Matrix GPO, you have the same benefits and access available from our sole distributor, CuraScript SD, with current account information already in place.

Experience everything the Matrix GPO Market Solutions Program has to offer:

02 | Robust and Unique Product Portfolio

- Discounted Matrix GPO member pricing
- Specialty product focus
- Extensive experience with complex products

03 | Personalized Total Account Management Program

- No specialty distribution contracts
- No membership fees
- Dedicated support team to manage your account
- Savings and manufacturer rebate program assistance
- Utilization and trend reporting

04 | Practice Solutions and Services to Fit Your Needs

- Customized inventory management solutions
- CuraScript SD online access to features and resources

05 | Business Management Solutions

- Access to reporting tools and services
- Reimbursement and contract solutions support
- Strategic assistance to streamline business needs
