

WORKING WITH ONCOLOGY PRACTICES

Did You Know?

There are over 18 million cancer survivors in the US today.

Assisting Today's Healthcare Providers

Matrix GPO is a group purchasing organization for strategic market segments.

01 | Matrix GPO Member Portfolio

With 2.1 million new cancer diagnoses expected in 2026, it is more important than ever for Oncology specialists to have adequate support so they can continue to treat their patients. Matrix GPO understands this and has the solutions your practice needs.

Our service offerings are designed to support the long-term viability of the community-based physician, including group practices. Leveraging the purchasing power of over 8,400 members, Matrix GPO offers an extensive range of practice resources through our partners as well as access to competitive pricing across a broad portfolio of disease-state specialties.

02 | Negotiating Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of relationships with pharmaceutical manufacturers to provide contract acquisition pricing for the branded and generic drugs essential to your practice. As a Matrix GPO member, a healthcare provider can access contracted pharmaceutical and biopharmaceutical products through the GPO's distributor partner, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. When desired, Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen the overall product offering for their membership.

03 | Service Providers

Matrix GPO has engaged with several organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members access to a diverse portfolio of service providers. Some examples include:

- Med-Surg Supplies
- HIPAA Compliance
- Telemedicine
- Practice and Liability Insurance
- Patient Communication
- Online Media Presence
- Healthcare Logistics
- HR and Supply Chain Solutions
- Billing and Reimbursement
- Practice Growth
- Inventory Management
