

SUPPORTING ONCOLOGY PRACTICES

Did You Know?

About 2 million new cancer cases are expected to be diagnosed in the U.S. in 2024.

Committed to True Value

Matrix GPO offers solutions tailored to your unique needs.

01 | Matrix GPO Member Portfolio

Though 1 in 3 people in the U.S. are affected by cancer, progress continues to be made against cancer, and many are treated successfully. It is more important than ever for Oncology specialists to have adequate support so they can continue to treat their patients. Matrix GPO understands this and has the solutions your practice needs.

Our service offerings are designed to support the long-term viability of the community-based physician, including group practices. Leveraging the purchasing power of over 8,000 members, Matrix GPO offers an extensive range of practice resources through our partners as well as access to competitive pricing across a broad portfolio of disease-state specialties.

02 | Negotiating Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs essential to your practice. As a member of Matrix GPO, a healthcare provider can access contracted pharmaceutical and bio-pharmaceutical products through the GPO's distributor partner, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. When desired, Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen the overall product offering for their membership.

03 | Service Providers

Matrix GPO has engaged with several organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members access to a diverse portfolio of service providers. Some examples include:

- Med-Surg Supplies
- HIPPA Compliance
- Telemedicine
- Practice and Liability Insurance
- Patient Communication
- Online Media Presence
- Healthcare Logistics
- HR and Supply Chain Solutions
- Billing and Reimbursement
- Practice Growth
- Inventory Management
