

OPHTHALMOLOGY & RETINA SOLUTIONS

Did You Know?

At least 2.2 billion people worldwide have a vision impairment.

Offering Customized Business Solutions

Physicians have the opportunity to strengthen their practices with various services offered through Matrix GPO's partners.

01 | Matrix GPO Member Portfolio

Refractive errors and cataracts are the leading causes of blindness worldwide. As the number of vision disorders grows, Matrix GPO understands the need to support ophthalmology and retina practices and is designed with the intentional goal of supporting the long-term viability of the community-based physician. Members are afforded a range of practice resources and access to competitive pricing across a broad portfolio of specialty pharmaceuticals.

02 | Negotiated Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs that are essential to your practice. As a Matrix GPO member, a healthcare provider can access contracted pharmaceutical and biopharmaceutical products through the GPO's distributor partner, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Services

Matrix GPO is also uniquely positioned to partner with other national GPOs. When desired, Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen the overall product offering for their membership.

03 | Service Providers

Matrix GPO has partnered with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to provide Matrix GPO Ophthalmology and Retina members with access to a diverse portfolio of service providers. Some examples include:

- Med-Surg Supplies
- HIPAA Compliance
- Telemedicine
- Practice and Liability Insurance
- Patient Communication
- Online Media Presence
- Healthcare Logistics
- HR and Supply Chain Solutions
- Billing and Reimbursement
- Practice Growth
- Inventory Management
