

PROVIDING SUPPORT FOR PEDIATRIC PRACTICES

Did You Know?

The pediatric market is projected to have a compound annual growth rate of 6.35% from 2024 to 2029.

Supporting the Viability and Sustainability of the Community-Based Practitioner

Matrix GPO has the unique ability to provide products and services tailored to your needs.

01 | Matrix GPO Member Portfolio

Pediatric physicians provide for a wide range of specialties, so they must receive the support they need. Matrix GPO is structured to address the needs of the community-based physician, including those in pediatrics. The services provided through Matrix GPO afford its members a range of practice resources and access to competitive pricing across a broad portfolio of pharmaceuticals.

02 | Negotiating Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs essential to your practice. As a member of Matrix GPO, a healthcare provider can access contracted pharmaceutical and bio-pharmaceutical products through the GPO's distributor partner, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. When desired, Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen the overall product offering for their membership.

03 | Service Providers

Matrix GPO has engaged with several organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members access to a diverse portfolio of service providers. Some examples include:

- Med-Surg Supplies
- HIPPA Compliance
- Telemedicine
- Practice and Liability Insurance
- Patient Communication
- Online Media Presence
- Healthcare Logistics
- HR and Supply Chain Solutions
- Billing and Reimbursement
- Practice Growth
- Inventory Management
