

PROVIDING FOR SPECIALTY PHARMACIES

Did You Know?

Matrix GPO is currently serving the unique needs of over 8,400 members.

Improving Efficiency through Customized Solutions

Matrix GPO provides each unique member savings without sacrificing value.

01 | Supporting Specialty Pharmacy

With extensive experience assisting specialty pharmacies, Matrix GPO recognizes that your success depends upon managing your inventory and maximizing your savings potential. It is crucial that specialty pharmacies have the support they require to focus on the patient. Matrix GPO is committed to ensuring the long-term viability of those working with specialty pharmaceuticals. Through our partners, Matrix GPO offers its members several practice resources and access to competitive pricing across a broad portfolio of disease-state specialties.

02 | Negotiated Savings and More

Given the diverse product requirements for each specialty, Matrix GPO has established a network of pharmaceutical manufacturer relationships to secure contract acquisition pricing for the branded and generic drugs essential to your practice. As a member of Matrix GPO, healthcare providers can access contracted pharmaceutical and bio-pharmaceutical products through the GPO's distributor partner, CuraScript SD by Evernorth.

From a financial perspective, Matrix GPO assists today's healthcare providers through:

- Driving traffic to your business
- Creating indirect referrals with online platforms
- Decreasing paid lead costs by driving prospects that already trust your practice

03 | Service Providers

Matrix GPO has engaged with several organizations and businesses to offer its members various products and programs. These trade relationships are designed to afford Matrix GPO members access to a diverse portfolio of service providers. Some examples include:
