

DELIVERING VALUE TO GASTROENTEROLOGY PRACTICES

Did You Know?

Approximately 20 million Americans suffer from chronic digestive diseases.

Unique Solutions to Meet Your Practice Needs

Matrix GPO currently supports the needs of over 15 branches of therapeutic specialties.

01 | Matrix GPO Member Portfolio

With an increased focus on gastroenterology diseases like Crohn's Disease and Inflammatory Bowel Disease, it is critical for Gastroenterologist Physicians to have the support they need to focus on their patients. Matrix GPO understands this and has the solutions your practice needs. Our service offerings are designed to support the long-term viability of the community-based physician, including group practices. Leveraging the purchasing power of over 6,000 members, Matrix GPO offers an extensive range of practice resources as well as access to competitive pricing across a broad portfolio of disease state specialties.

02 | Negotiated Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs that are essential to your practice. As a member of Matrix GPO, a healthcare provider can access contracted pharmaceutical and bio-pharmaceutical products through the GPO's distributor partner, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. When desired, Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen overall product offering for their membership.

03 | Service Providers

Matrix GPO has engaged with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members with access to a diverse portfolio of services providers. Some examples include:

- Med-Surg Supplies
- Web & Video Conferencing Solutions
- Telemedicine
- Insurance Products & Risk Consulting
- Inventory Management
- Marketing Services
- Regulatory and Educational Services
- HR and Supply Chain Solutions
- Customized Data, Reporting and Analytics
- Distribution
- Two-way Text Messaging
