01 | The Matrix GPO Difference

At Matrix GPO, we focus on provider and practice management support while tailoring services and programs to best fit your needs. Matrix GPO works independently or aligned with other national or segment-specific GPOs to afford the overall market value. With provider engagement in mind, we work closely to ensure we communicate updates, news and any valuable information that is beneficial to you.

02 | Debbie Parent

Debbie Parent has served as the Director of Matrix GPO for over 4 years. Debbie's primary focus lies in identifying and cultivating partnerships within the pharmaceutical sector, strategically steering the company towards robust business expansion. When asked what her favorite part of her work with Matrix GPO is, Debbie responded, "My favorite part of working with Matrix GPO is being able to meet the diverse needs of GPO members and showcasing my commitment to fostering collaborative and mutually beneficial relationships within the pharmaceutical industry."
