

Meet the Team — Erin Myers

Did You Know?

Matrix GPO has partnered with a number of organizations to offer a diverse array of products and programs to its members.

Supporting the Viability and Sustainability of the Community-Based Practitioner

Matrix GPO provides unique member savings without sacrificing value.

01 | The Matrix GPO Difference

At Matrix GPO, we focus on provider and practice management support while tailoring services and programs to best fit your needs. Matrix GPO works independently or aligned with other national or segment-specific GPOs to afford the overall market value. With provider engagement in mind, we work closely to ensure we communicate updates, news and any valuable information that is beneficial to you.

02 | Erin Myers

Erin Myers is the Product Management Senior Analyst on the Strategy and Business Development team for Matrix GPO. She manages the Matrix GPO memberships, ensuring all members have a proper connection to the unique programs and robust pricing portfolio. Erin works closely with the manufacturer partners and authorized distributors to ensure a seamless process for Matrix members. When asked what her favorite part of her work with Matrix GPO is, Erin responded, "The best part of my job is being on a strong, collaborative team of awesome people!"

03 | Comprehensive Support

Matrix GPO, in partnership with our sole distributor, CuraScript SD, is uniquely designed to support a member's end-to-end needs. This relationship allows for a cohesive transition from member onboarding to desired results. Our contracting mechanism ensures the greatest value, and the strategic sales team provides continuous review and assessment of provider accounts for new opportunities.

The apex of our service model is the Matrix GPO Market Solutions Program, which encompasses four specific points to provide a comprehensive approach.

- **Robust and Unique Product Portfolio** — Discounted member pricing, specialty product focus and experience with complex products
- **Total Account Management Program** — No contracts or membership fees, dedicated support team, rebate assistance and trend reporting
- **Practice Solutions to Fit Your Needs** — Customized inventory management and CuraScript SD online access to features and resources
- **Business Management Solutions** — Access to reporting tools, reimbursement support and assistance to streamline business needs
