

PROVIDING ACCESS TO MEDICAL SUPPLIES

Did You Know?

Matrix GPO provides members access to over 300,000 medical supplies and devices.

Convenience for Physicians and Healthcare Providers

Medical supplies and devices are essential health intervention tools used by physicians and nurses

01 | Serving the Community-Based Physician

The relationship Matrix GPO enjoys with its members is one of collaborative business partners sharing a singularly aligned objective – the viability and sustainability of the community-based physician. With that in mind, Matrix GPO has engaged with a number of organizations and businesses to offer its members a variety of products and programs. These relationships are designed to afford Matrix GPO members access to a diverse portfolio of service providers.

02 | Medical Devices & Supplies

Our medical devices and supplies service solution meets the challenges of your physician practice:

- Low unit of measure quantities
- Limited storage space
- Point-of-care testing

03 | Highlights

To ensure the success of your physician practice, Matrix GPO offers access to the largest privately held vendor and distributor of medical devices and supplies. With over 100 years of experience serving the healthcare industry, our medical supplies solution provides tailored programs to match the unique needs of each Matrix GPO members. Between its manufactured lines and those which it distributes, members have access to a portfolio of over 300,000 medical supplies and devices. With 42 strategically placed distribution centers in the United States, next day delivery is also available.
