01 | Matrix GPO Member Portfolio

With over 100 known autoimmune diseases, it is critical for Rheumatologists to have the support they need. Matrix GPO understands this and was designed to support the long-term viability of the community-based physician, including those specializing in autoimmune diseases. Matrix GPO provides its members with a range of resources for their practice as well as access to competitive pricing across a broad portfolio of specialty pharmaceuticals.

02 | Negotiated Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs that are essential to your practice. As a member of Matrix GPO, healthcare providers can access contracted pharmaceutical and bio-pharmaceutical products through the GPO's exclusive distributor, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. When desired, Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen the overall product offering for members.

03 | Service Providers

Matrix GPO has engaged with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members access to a diverse portfolio of services. Some examples include:

- Med-Surg Supplies
- HIPPA Compliance
- Telemedicine
- Practice and Liability Insurance
- Patient Communication
- Online Media Presence
- Healthcare Logistics
- HR and Supply Chain Solutions
- Billing and Reimbursement
- Practice Growth
- Inventory Management
