

PROVIDING REGULATORY COMPLIANCE SERVICES

Did You Know?
HIPAA requires implementation of three types of safeguards: Administrative, Physical, and Technical.

Committed to True Value

A total of 34.9 million Americans had their PHI compromised in 2019.

01 | Regulatory Compliance Services

Matrix GPO offers your practice regulatory compliance services with discounts on HIPAA Risk Analysis for MACRA/MIPS, customized HIPAA policies, HIPAA training, PCI compliance and OSHA compliance services. By joining Matrix GPO, customers have access to a cloud-based platform which provides easy-to-use online tools that help streamline the compliance process.

02 | Risk Analysis

Obtaining a risk analysis assessment is simple and easy with Matrix GPO and vendor partners in order to identify critical areas within your practice that can be improved. The following services help keep your practice up to date with all compliance regulations.

- Annual HIPAA staff training
- OSHA/Infection control program
- PCI Compliance training

03 | Service Providers

Matrix GPO has engaged with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members with access to a diverse portfolio of services providers. Some examples include:

- Med-Surg Supplies
- Web & Video Conferencing Solutions
- Telemedicine
- Insurance Products & Risk Consulting
- Inventory Management
- Marketing Services
- Regulatory and Educational Services
- HR and Supply Chain Solutions
- Customized Data, Reporting and Analytics
- Distribution
- Two-way Text Messaging
