## **01 | Employee Discount Program Benefits**

Employees work hard and using group purchasing power to drive discounts for activities and products they use every day is a great benefit. Companies offer various categories of discounts to organizations that give employees an impressive selection to choose from. These discounts, perks, and more; show appreciation to employees. Having a perks program is another way to reward and recognize employees.

A survey showed 40% of employees believe a wide selection of benefits make them feel more loyal to their employer. Some benefit objectives are:
