

MATRIX GPO SPOTLIGHT: EMPLOYEE PERKS & DISCOUNTS

Did You Know?

Matrix GPO provides members access to over 302,000 national and local discount offers, monthly giveaways and more.

Employee Perks Made Simple

78% of Employees Say the Provisions of an Employee Benefits Package is Very Important in Their Decision to Accept or Reject a Job

01 | The Role of Employee Discount Programs

Work life programs play an integral role within an organization's total compensation package, foster company loyalty and create personal connections for your employees within the community that will save them money. And for many under economic pressure, these programs become even more valuable to your organization and the employee.

Surveys show that, in general, 70% of employees are either not engaged at all or actively disengaged at work. Offering employee perks and discounts helps to:

- Attract and retain employees
- Control healthcare costs with workplace health programs

- Increase employee productivity
- Reduce HR administration costs with HR outsourcing

02 | Employee Perks & Discount Highlights

Matrix GPO provides members access to employee perks and discounts to supplement their current benefits through a savings network of over 302,000 national and local discount offers, monthly giveaways, and movie showtimes and trailers, all accessible from the website or mobile app. Resources are available to easily integrate existing discounts and show employee appreciation with many options including:
