

COMMITTED TO HEMATOLOGY PRACTICES

Did You Know?

Hematologists stand at the forefront of treating a spectrum of diseases including leukemia, sickle cell disease and bleeding disorders

Committed to True Value

Rising Drug Prices Make it Essential to Align with a GPO that can Negotiate Cost-Effective Contracts

01 | Matrix GPO Member Portfolio

With an increased focus on complex hematology diseases like Sickle Cell Disease and bleeding disorders, it is critical for Hematology Physicians to have the support they need so that they can focus on the patient. Matrix GPO understands this and is designed to support the long-term viability of the community-based physician, including those specializing in hematology diseases. The services provided through Matrix GPO afford its members a range of practice resources and access to competitive pricing across a broad portfolio of specialty pharmaceuticals.

02 | Negotiated Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs that are essential to your practice. As a member of Matrix GPO, healthcare providers can access contracted pharmaceutical and bio-pharmaceutical

products through the GPO's exclusive distributor, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. When desired, Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen overall product offering for their membership.

03 | Service Providers

Matrix GPO has engaged with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members with access to a diverse portfolio of services providers. Some examples include:

- Med-Surg Supplies
- Web & Video Conferencing Solutions
- Telemedicine
- Insurance Products & Risk Consulting
- Inventory Management
- Marketing Services
- Regulatory and Educational Services
- HR and Supply Chain Solutions
- Customized Data, Reporting and Analytics
- Distribution
- Two-way Text Messaging
