

WORKING WITH RARE DISEASE PRACTICES

Did You Know?

A disease is considered rare when it affects fewer than 1 in 2,000 people.

Structured to Your Unique Needs

70% of rare diseases start in childhood.

01 | Matrix GPO Member Portfolio

1 in 10 Americans lives with a rare disease. On average, it can take 5 or more years for a person with a rare disease to find a diagnosis, so it is critical that rare disease specialists have the support they need to focus on the patient. Matrix GPO understands this and is designed to support the long-term viability of the community-based physician, including those who treat rare diseases. The services provided through Matrix GPO offer its members a range of practice resources and access to competitive pricing across a broad portfolio of specialty pharmaceuticals.

02 | Negotiated Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs essential to your practice. As a member of Matrix GPO, healthcare providers can access contracted pharmaceutical and biopharmaceutical products through the GPO's exclusive distributor, CuraScript SD.

From a financial perspective, Matrix GPO supports today's rare disease specialists through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. When desired, Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen overall product offering for their membership.

03 | Service Providers

Matrix GPO has engaged with a number of organizations and businesses to offer its members various products and programs. These trade relationships are designed to provide Matrix GPO members with access to a diverse portfolio of services providers. Some examples include:

- Med-Surg Supplies
- HIPAA Compliance
- Telemedicine
- Practice and Liability Insurance
- Patient Communication
- Online Media Presence
- Healthcare Logistics
- HR and Supply Chain Solutions
- Billing and Reimbursement
- Practice Growth
- Inventory Management
