

SERVING SPECIALTY PHARMACIES

Did You Know?
Specialty medication accounts for almost 51% of drug benefit costs.

Assisting Today's Healthcare Providers

Matrix GPO provides each unique member savings without sacrificing value.

01 | Supporting Specialty Pharmacy

With extensive experience helping specialty pharmacies, Matrix GPO knows your success depends upon managing your inventory and maximizing your savings potential. It is critical for specialty pharmacies to have the support they need to focus on the patient. Matrix GPO understands this and is designed to support the long-term viability of those working with specialty pharmaceuticals. The services provided through Matrix GPO and our partners afford its members a range of practice resources and access to competitive pricing across a broad portfolio of disease state specialties.

02 | Negotiated Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs that are essential to your practice. As a member of Matrix GPO, a healthcare provider can access contracted pharmaceutical and bio-pharmaceutical products through the GPO's distributor partner, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. When desired, Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen overall product offering for their membership.

03 | Service Providers

Matrix GPO has engaged with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members with access to a diverse portfolio of services providers. Some examples include:

- Med-Surg Supplies
- Web & Video Conferencing Solutions
- Telemedicine
- Insurance Products & Risk Consulting
- Inventory Management
- Marketing Services
- Regulatory and Educational Services
- HR and Supply Chain Solutions
- Customized Data, Reporting and Analytics
- Distribution
- Two-way Text Messaging
