

OUR COMMITMENT TO YOU IN 2019 & BEYOND

Did You Know?
Purchasing pharmaceuticals via a GPO can save a hospital between 10-15% each year

Structured to Your Unique Needs

Matrix GPO is structured to address the unique needs of today's community-based physicians

01 | Our Commitment Has Not Changed

Matrix GPO was designed with the intentional goal of supporting the long-term viability of the community-based physician – understanding that your dedication to your patients is your priority. With that in mind, we continue to expand our services, which include employee perks and discounts, inventory management solutions and more. We also offer physicians access to competitive pricing across a broad portfolio of specialty pharmaceuticals.

02 | The Matrix GPO Advantage

GPO contract acquisition pricing for branded and generic drugs offers members significant savings opportunities through the Matrix GPO network of pharmaceutical manufacturer relationships. At Matrix GPO, our team continues to work with manufacturers and service providers to expand our selection of products and services.

Matrix GPO is uniquely positioned to partner with other national Group Purchasing Organizations, and when desired, we can supplement the existing product

portfolio of a national GPO, strengthening the overall product offering for our members.

Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

03 | Service Providers

Throughout 2018, Matrix GPO engaged with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members with access to a diverse portfolio of services providers. Some examples include:

- Med-Surg Supplies
- Web & Video Conferencing Solutions
- Telemedicine
- Insurance Products & Risk Consulting
- Inventory Management
- Marketing Services
- Regulatory and Educational Services
- HR and Supply Chain Solutions
- Customized Data, Reporting and Analytics
- Distribution
- Two-way Text Messaging
