

OUR COMMITMENT TO YOU IN 2022 & BEYOND

Did You Know?

GPOs can save providers an average of 10%-18% on products and services

Structured to Your Unique Needs

Matrix GPO desires to provide each unique member savings without sacrificing value

01 | Our Commitment Continues

Matrix GPO understands that your patients are your number one priority. This is why we were designed with the intentional goal of supporting the long-term viability of the community-based physician. With that goal in mind, we continue to expand our services, which include telemedicine services, inventory management solutions and more. We also offer physicians access to competitive pricing across a broad portfolio of specialty pharmaceuticals.

02 | The Matrix GPO Advantage

Matrix GPO has created a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing branded and generic drugs that provide members significant savings opportunities. At Matrix GPO, our team continues to work with manufacturers and service providers to expand our selection of products and services.

Matrix GPO is uniquely positioned to partner with other national Group Purchasing Organizations, and, when desired, we can supplement the existing product

portfolio of a national GPO, strengthening the overall product offering for our members.

Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

03 | Service Providers

Throughout 2021, Matrix GPO engaged with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford Matrix GPO members with access to a diverse portfolio of services providers. We will be continuing similar services into 2022 and working to expand our portfolio for you. Some examples of our services include:

- Education
- Employee Perks
- HIPPA Compliance
- Online Media Presence
- Patient Communication
- Teleconferencing
- Telemedicine
- Medical-Surg Supplies
- Healthcare Logistics
- Practice and Liability Insurance
- Prior Authorization and Patient A/R
- Billing and Reimbursement
- Practice Growth
