

OUR COMMITMENT TO YOU IN 2025 & BEYOND

Did You Know?

GPOs reduce healthcare costs by up to \$55 billion annually.

Supplying the Services Needed to Succeed

Matrix GPO leverages strategic partnerships to provide quality products and services while prioritizing affordability.

01 | Our Commitment Continues

Patients are always a top priority. Matrix GPO is designed with the intentional goal of supporting the long-term viability of the community-based physician so patients remain a top priority. With that goal in mind, we continue to expand our services, which include telemedicine services, inventory management solutions and more. We also offer our members access to competitive pricing across a broad portfolio of specialty pharmaceuticals.

02 | The Matrix GPO Advantage

Matrix GPO has created a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing branded and generic drugs that provide members significant savings opportunities. Our team continues to work with manufacturers and service providers to expand our selection of products and services.

Matrix GPO is uniquely positioned to partner with other national Group Purchasing Organizations, and, when desired, we can supplement the existing product portfolio of a national GPO, strengthening the overall product offering for our members.

We assist today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

03 | Service Providers

Throughout 2024, Matrix GPO engaged with a number of organizations and businesses to offer its members a variety of products and programs. These trade relationships are designed to afford our members with access to a diverse portfolio of services providers. We will be continuing similar services into 2025 and working to grow our portfolio for you. Some examples of our services include:

- Education
- Employee Perks
- HIPAA Compliance
- Online Media Presence
- Patient Communication
- Teleconferencing
- Telemedicine
- Medical-Surgical Supplies
- Healthcare Logistics
- Practice and Liability Insurance
- Prior Authorization & Patient A/R
- Billing and Reimbursement
- Practice Growth
