

SUPPORTING AUTOIMMUNE PRACTICES

Did You Know?

Autoimmune diseases affect more than 23.5 million Americans.

Structured for Your Unique Needs

The global autoimmune diagnosis market is expected to reach \$4.55 billion by 2023

01 | Matrix GPO Member Portfolio

With an increased focus on complex autoimmune diseases like rheumatoid arthritis and celiac disease, it is critical for Autoimmune Physicians to have the support they need so that they can focus on the patient. Matrix GPO understands this and was designed to support the long-term viability of the community-based physician, including those specializing in autoimmune diseases. Matrix GPO provides its members a range of resources for your practice as well as access to competitive pricing across broad portfolio of specialty pharmaceuticals.

02 | Negotiated Savings and More

Due to the scope of product requirements for each specialty, Matrix GPO has forged a network of pharmaceutical manufacturer relationships to provide contract acquisition pricing for the branded and generic drugs that are essential to your practice. As a member of Matrix GPO, healthcare providers can access contracted pharmaceutical and bio-pharmaceutical products through the GPO's exclusive distributor, CuraScript SD.

From a financial perspective, Matrix GPO assists today's healthcare providers through:

- Extensive Pharmaceutical/Biopharmaceutical Contract Access
- Drug Purchasing & Supply Chain Monitoring
- Inventory Control & Management Solutions
- Customized Reporting Tools
- Practice Management Solutions

Matrix GPO is also uniquely positioned to partner with other national GPOs. Matrix GPO can supplement the existing product portfolio of a national GPO and strengthen overall product offering for members.

03 | Service Providers

Matrix GPO trade relationships are designed to afford members with access to a diverse portfolio of services providers. Some examples include:

- Med-Surg Supplies
- Web & Video Conferencing Solutions
- Telemedicine
- Insurance Products & Risk Consulting
- Inventory Management
- Marketing Services
- Regulatory and Educational Services
- HR and Supply Chain Solutions
- Customized Data, Reporting and Analytics
- Distribution
- Two-way Text Messaging
