

MEDICAL SUPPLY SOLUTIONS TO MATCH THE UNIQUE NEEDS OF YOUR PRACTICE

***Did You Know?**
Matrix GPO provides members access to over 300,000 medical devices and supplies.*

Structured to Your Unique Needs

Our Medical Supplies Service Solution gives members access to over 300,000 medical devices and supplies

01 | Serving the Community-Based Physician

The relationship Matrix GPO enjoys with its membership is one of collaborative business partners sharing a singularly aligned objective – the viability and sustainability of the community-based physician. What that end in mind, Matrix GPO has engaged with a number of organizations and businesses to offer its members a variety of products and programs. These relationships are designed to afford Matrix GPO members access to a diverse portfolio of service providers.

02 | Medical Devices & Supplies

Our medical devices and supplies service solution meets the challenges of your physician practice:

- Low unit-of-measure quantities
- Limited storage space
- Point-of-care testing

03 | Highlights

To ensure the viability of your physician practice, Matrix GPO offers its members access to the largest privately held vendor and distributor of medical devices and supplies. With over 100 years of experience serving the healthcare industry, our medical supplies solution provides tailored solutions to match the unique needs of each Matrix GPO member. Between its manufactured lines and those which it distributes, members have access to a portfolio of over 300,000 medical devices and supplies at a value. With 42 strategically placed distribution centers in the United States, next day delivery is also available.
