

PROVIDING YOUR PRACTICE WITH MEDICAL SUPPLY SOLUTIONS

Did You Know?

Matrix GPO is currently serving the unique needs of over 6,000 members

Offering the Supplies You Need Without Hassle

Matrix GPO purchasing power enables you to receive savings on the medical supplies you need

01 | Structured to Your Unique Needs

Matrix GPO understands that in order for practices to meet the rigorous demands of patient care, resources must be affordable. Further, to exceed expectation and deliver excellent patient outcomes, quality must be taken into account as well. Through our network of pharmaceutical manufacturer relationships, Matrix GPO is able to provide you with solutions that are both high quality and cost effective. Our operations are strategically structured to best meet the needs of community-based specialists.

02 | Medical Devices & Supplies Solution

Our medical supplies solution creatively meets the challenges of your physician practice. Matrix GPO members have access to an impressive portfolio of over 350,000 medical devices and supplies at a value. Additionally, with our 42

strategically placed distribution centers in the United States, next-day delivery requirements are able to be fulfilled with ease. We have partnered with a medical supplies service provider that has over 100 years of experience serving the healthcare industry and is well equipped to offer personalized solutions that match the unique needs of each provider.

03 | Top Medical Supplies

Our medical device and supplies service provider offers everything from general medical/surgical supplies, such as bandages and gauze, to capital equipment and more. These include:
